PROFESSIONAL SUMMARY

Driven engineering undergraduate student seeking a role in production or operations. Eager to leverage a background in industrial and production engineering, alongside strong problem-solving, decision making, teamwork and leadership skills, to optimize processes and improve operational efficiency.

EDUCATION

B.Sc. Industrial & Production Engineering *March 2022–Present*
Rajshahi University of Engineering & Technology (RUET)
CGPA: **3.56/4.00** (*After 4th Year Odd Semester*)

Key Coursework: Engineering Materials & Metallurgy, Production Process- I & II, Quality Control & Management, Operations Research, Operations Management, Supply Chain Management

Higher Secondary Certificate (HSC) *2020*
New Govt Degree College, Rajshahi
GPA: **5.00/5.00**

EXPERIENCE

Trainee — Square Toiletries Ltd *1 March 2025– 28 March 2025*
• Worked with production and quality teams in FMCG operations
• Assisted production monitoring and documentation
• Developed practical industrial problem-solving skills
Industry Visit — North South Power Company Ltd
• Observed industrial power generation systems and management

FEATURED PROJECTS

Solar Power Bank

Dual-Mode Renewable Energy Phone Charging System

- Dual-mode solar and AC charging system.
- Compact unit for renewable energy integration.

Smart Rain Shield for Laundry: Automated Protection with Arduino Uno

Arduino-Based Automated Rain Protection System

- Arduino system to auto-deploy rain cover.
- Built functional prototype to protect laundry.

TECHNICAL SKILLS

SolidWorks | Fusion 360 | AutoCAD | Mastercam | C Programming | MS Excel | MS Word | PowerPoint

ACHIEVEMENTS

- Research Poster Competition Participation
- CAD Trainer

VOLUNTEER LEADERSHIP EXPERIENCE

Society of Computer Aided Design RUET | *Event Management Secretary & CAD Trainer*

- Guided CAD training sessions
- Organized technical workshops and events

RUET IPE Club | *Executive Member*

- Coordinated club activities and events

Nobojagoron Foundation | *Executive Member*

- Participated in community development activities.

INTERESTS

Operations Research | Supply Chain Management | Lean Six Sigma | Quality Control | Product Design | Probability & Statistics | Computational Modeling | Fuzzy Systems
